6 dressing rooms (2 large and 4 small). Showers and toilets in corridor next to the dressing rooms (back stage). All dressing rooms are lockable and are furnished with tables, chairs, mirrors, adequate lighting, power outlets, a small fridge and a clothes rack.

PRODUCTION OFFICE AND WIFI

One of the dressing rooms can be used as a production office. Free wireless internet available in all areas.

DINNER

There is an in-house restaurant at De Oosterpoort. If you have any questions regarding catering or hospitality, do not hesitate to contact venue's production manager.

GENERAL INFORMATION

CAPACITY

standing: 750 (barrier reduces capacity with 50) | seated: 450

STAGE

- Stage size standing shows: 10m x 6m excluding aisles and wings
 - Stage size seated (theatre) shows: 10m x 11m (electrically elevated stage)
 - PA Wings: none, fixed flown in-house PA
 - Stage height: 1m
 - Please note it's a theatre style hall, including electric flybars, fixed borders, drapes et cetera
 - Approximately 20 free available flybars for lighting/backdrops
 - Maximum distributed load per flybar: 250 kg
 - Risers / rolling risers (stage decks 2 x 1m): available on request
- Please contact us about rigging/hanging possibilities.

STAGE POWER SUPPLY

- Light:
1 x 3 x 125A 3ph + 1 x 3 x 32A 3ph U.S.R. & 1 x 3 x 125A 3ph + 1 x 3 x 63A 3ph D.S.R.
- Sound: 2 x 3 x 32A + 1 x 3 x 63A U.S.L. and U.S.R.
- Transformers: 230 > 110v: 2 x 1 kW

SOUND LIMIT

Due to sound level restrictions and regulations it is not allowed to exceed the following maximum sound level: Max 103 dBA at the FOH sound desk, Leq 15 minutes. De Oosterpoort reserves the right to reduce the sound level when necessary.

BACKLINE

We will presume artist will carry all backline unless otherwise agreed. In case De Oosterpoort will have to rent backline, we will need specific backline requirements well in advance.

GRAND PIANO

A grand piano (Yamaha C7) can be provided by the venue. Extra costs for tuning will be for account of the artist.

BARRIER

On request only. If artist has a specific reason why barriers should be used, please let us know advance. Please note: use of a barrier reduces the capacity with 50. Costs for the barrier and additional security guards will be for account of the artist.

SECURITY

Standard security, no barrier, unless otherwise agreed well in advance. De Oosterpoort strongly requests the artist not to encourage the audience to take part in crowdsurfing. Also for security reasons it is not allowed to invite members of the audience to climb the stage during the show. We expect artists' cooperation in these matters.

NO SMOKING

Smoking is not allowed.

IMPORTANT NOTICES

Please make sure we receive all relevant show information no later than 4 weeks before the day of performance:

- technical rider, including stage plot and patch list
- lighting plot
- hospitality rider
- travel party
- technicians band will bring
- means of transportation
- backline: we will presume artist will carry all backline unless otherwise agreed

Please contact venue's production manager to advance the show and to discuss the number of crew needed. Please report any changes regarding get in time a.s.a.p. to venue's production manager, at least 4 days before the day of performance. Extra costs due to changes after this date may be for account of the artist. The crew of our venue is obliged to work according to the Dutch occupational health and safety regulations determined by the Dutch Labour Inspectorate. We expect you to do the same. All riders received after aforementioned time span shall be dealt with in the best possible way, without any guarantees as to their fulfillment. All extra costs resulting from this will be charged.
